

## Connecticut Health Insurance Exchange REQUEST for STAKEHOLDER COMMENT

Dear Stakeholders,

Thank you for your ongoing support and participation in the development of the Connecticut Health Insurance Exchange.

As you are aware, on September 29, 2010, Connecticut was awarded a one year planning grant to plan the design and implementation of a state health insurance exchange. In May of 2011, through this planning grant, the State partnered with Mercer Health & Benefits, LLC, in order to conduct the research and data analysis necessary to design and develop the exchange.

On January 20, 2012, Mercer Health & Benefits concluded its analysis and produced their final report. The report can be located at the Office of Health Reform & Innovation website under the Insurance Exchange tab or by clicking on the following link: ([Mercer Final Report](#)).

*In an ongoing effort to engage our stakeholders, the Exchange invites your feedback on Mercer's final report.*

Using the required submission process outlined below, please provide comments as you feel appropriate.
