Next Steps:

Validate planning assumptions through listening sessions with consumers, ACOs and CBOs

- The SIM PMO is hosting “lunch and learn” webinars focusing on value-based payment. The webinar will help you:
 - Review the different types of value-based payment reform in Connecticut
 - Examine “in depth” the most common reform known as “shared savings”
 - Understand how shared savings is impacting providers and the kinds of investments they are willing to make to improve quality and earn financial rewards
